GENERAL INFORMATION: Open Gym is a non-structured program which provides an ideal opportunity for students to practice their class skills and routines. It is also a time just to have fun performing favorite gymnastic tricks in a safe, supervised environment. Although there is no direct instruction, staff will be on hand to provide coaching assistance.

WHO MAY PARTICIPATE?: Anyone ages 1 and older who is willing to abide by the rules listed below may participate. All non-members (individuals who are not enrolled in the current semester) are required to have a parent sign the waiver (reverse side). **Handwritten and verbal waivers are not acceptable.** Waivers are good for the entire semester. Current members do not need a waiver signed. All pre-schoolers (children under 6) must be accompanied by an adult.

ASSUMPTION OF RISK: While gymnastics is exciting and challenging, participation involves certain risks. Even under the best conditions, accidents can occur. Most result in minor sprains or contusions. Although the incidence is extremely rare, some accidents result in serious or permanent injury. The directors and teachers of BGA are dedicated to providing the safest possible teaching environment. Parents and students must appreciate, however, that no amount of matting, pit use, or excellent teaching can guarantee an injury-free program. I have read and understand the above and consent to my child's participation in Badger Gymnastics Academy of Oregon's Program. In addition, I release Badger Gymnastics Academy of Oregon, its directors and staff, from liability to warn that injury may occur as a result of my child's participation in the aforementioned gymnastics program.

AUTHORIZATION OF MEDICAL CARE: In case of illness or injury (if a parent or emergency contact cannot be reached.) the Staff of Badger Gymnastics Academy of Oregon may authorize medical care and treatment for the above named participant(s).
